

1. AREA OF EXPERTICE

LEAN LOGISTICS

This Faculty Member is currently a Director of a leading global provider of professional services in the disciplines of Finance, Supply Chain Management, Information Management, and Human Capital. She has extensive experience in strategic financial and supply chain management in diversified industries, holding director and vice president positions at FedEx Supply Chain Services, La-Z-Boy Manufacturing, and Comerica Bank among others.

She is recognized as an expert in the application of strategic and profitability analyses to accomplish operational efficiencies and cost reduction. Using process definition and continuous improvement methods to uncover hidden value within an organization, she has re-engineered operations and supply chain processes, integrating diverse activities across the enterprise for companies in various industries and markets. She was a recipient of the prestigious FedEx Five Star Award for developing and implementing a new strategy transitioning a multi unit regional business model into a single, standardized operating unit.

2. BIOGRAPHICAL INFORMATION

This passionate practitioner has a BBA degree from the University of Michigan, and an MBA from the University of Detroit Mercy, along with an executive certification in logistics management from Georgia Tech.

3. CONTACT
